# Client Feedback

> Facile Technolab Pvt Ltd has completed some of the deliverables, which please the client. They are always understanding and available to coordinate the project. Moreover, they follow agile methodology, which impresses the client the most.
>
> Kevaughn Campbell, Digital Specialist, Kingston, Jamaica

> Thanks to Facile Technolab Pvt Ltd's engagement, the client is able to demonstrate a functional prototype to their end client that has received positive feedback. The team has executed an effective project management style. They are prompt and communicative in the partnership.
>
> Dan Grant, CEO, ZYGADOX, Melbourne, Australia

> So far, Facile Technolab Pvt Ltd has been meeting the deliverables. The team uses Slack to communicate and Trello for documentation. The client has been impressed by the team's professionalism and friendly approach.
>
> Chris Dunlop, Lead Developer & Project Manager, Quicktech, Calgary, Alberta

> The vendor's efforts are critically important to the business. A reliable, proactive team, Facile Technolab Pvt Ltd collaborates seamlessly with internal stakeholders. Their deep understanding of Western culture has facilitated their coordinations with other employees based around the world.
>
> Christian Torvnes, Co-Founder, Social Media Company, California
